Subject: Feedback on Board Innovation Award Submission

Dear [Recipient's Name],

Thank you for your submission for the Board Innovation Award. We appreciate the time and effort you put into your innovative idea. Below are some feedback points that may help you in refining your concept:

Strengths:

- Creativity and originality of the idea.
- Clear alignment with the organization's mission and goals.
- Potential for significant impact on our stakeholders.

Areas for Improvement:

- Further detail on the implementation strategy would be beneficial.
- Consideration of potential challenges and mitigation plans.
- Additional data to support projected outcomes would strengthen the proposal.

We encourage you to revise and resubmit your proposal. We believe that with some adjustments, it has great potential.

Thank you once again for your contributions to our board and your commitment to innovation.

Best regards,
