Dear Admissions Committee,

I am writing to express my interest in applying for enrollment in the Bachelor of Science in Computer Science program at XYZ College for the upcoming academic year. After researching various programs, I am convinced that XYZ College provides the best environment for my academic and personal growth.

My academic background includes a high school diploma with a GPA of 3.8, where I excelled in mathematics and science courses. I have also participated in various extracurricular activities, including the coding club and community volunteer work. I am particularly interested in software development and data analysis, and I believe that the curriculum at XYZ College aligns perfectly with my career aspirations.

I am eager to bring my passion for technology and my commitment to learning to XYZ College. Thank you for considering my application. I look forward to the opportunity to contribute to the college community.

Sincerely,

John Doe
