Dear [Hiring Manager's Name],

I hope this message finds you well. I am excited about the opportunity to join [Company Name] as a [Job Title], and I want to express my gratitude for the offer extended to me.

After carefully reviewing the salary proposal of [offered salary], I would like to discuss the possibility of adjusting the compensation to better align with my experience and the market standards for similar positions, especially considering the responsibilities associated with the role.

Based on my research, the average salary for a [Job Title] in a remote setting typically ranges from [salary range], depending on experience and expertise. Given my background in [relevant experience/details], I believe a salary of [your desired salary] would be more reflective of the value I will bring to the team.

I am genuinely enthusiastic about the potential to contribute to [Company Name] and am hopeful we can find a compensation package that meets both our needs. Thank you for considering my request. I look forward to your response.

Best regards,
