

# Congratulations on Your Retirement!

Dear [Retiree's Name],

Congratulations on finally escaping from the clutches of work! You've traded in your coffee breaks for nap breaks and your deadlines for 'whenever I feel like it' time. Who knew retirement was basically a permanent weekend?

We all know you were just hanging around here to keep us entertained with your legendary jokes and your unparalleled ability to work at a pace that can only be described as "leisurely." We will miss your unique perspective on deadlines: "Don't worry, they'll come sooner or later!"

As you embark on this new adventure, remember that you can now do absolutely nothing without any guilt whatsoever! Feel free to wake up at noon (or whenever), lounge by the pool, and perfect your skills in the great art of binge-watching.

On behalf of everyone, we wish you a retirement filled with laughter, joy, and a complete lack of spreadsheets! Enjoy every moment of this new chapter.

Cheers to you, and may your life be filled with endless fun and relaxation!

Sincerely,  
[Your Name]
