Dear [Business Owner/Manager],

I am writing to formally address my concerns regarding potential price gouging related to [specific product or service] being sold at [location or online platform]. It has come to my attention that the prices for this essential item have significantly increased beyond the typical market value, particularly in the context of [recent event, e.g., natural disaster, pandemic].

According to [cite relevant law or guideline], price gouging is illegal and unethical, particularly during [emergency or crisis situation]. As a consumer, I believe it is crucial to report such practices to ensure fairness and protect the interests of all consumers.

Therefore, I urge your business to review your pricing policies and adjust them to align with fair market value. Failure to do so may compel me to report this issue to the appropriate consumer protection authorities.

Thank you for your attention to this matter. I hope for a prompt resolution.

Sincerely,

[Your Name]
