Subject: Evaluation of Corporate Governance Performance

Dear [Insert Name],

As part of our ongoing commitment to excellence in corporate governance, we propose the following method for evaluating our performance in this critical area. The evaluation will encompass the following key components:

1. **Board Effectiveness:** Assessment of the board's structure, composition, and meeting effectiveness.
2. **Stakeholder Engagement:** Evaluation of our processes for engaging with stakeholders and addressing their concerns.
3. **Compliance and Risk Management:** Review of compliance with regulatory requirements and risk management practices.
4. **Performance Metrics:** Establishment of measurable goals related to corporate governance practices, including transparency and accountability.
5. **Feedback Mechanisms:** Implementation of feedback mechanisms to gather insights from stakeholders on governance practices.

This evaluation will be conducted annually and will involve a comprehensive review and a report on findings, which will be presented to the board for discussion and action planning.

We believe that this structured evaluation will enhance our governance practices and ensure continued alignment with best practices in the industry.

Thank you for your attention to this important initiative. We welcome your feedback and suggestions on this proposed evaluation method.

Sincerely,
