Dear [Recipient's Name],

I am writing to formally request the extension of the eviction moratorium currently in place due to the ongoing health crisis related to [Specify Health Crisis, e.g., COVID-19]. This extension is crucial for the protection of vulnerable populations, including low-income families and individuals who have been disproportionately affected by the economic impacts of this crisis.

Many tenants are struggling to make rent payments due to loss of income, health-related expenses, and job instability. Without the extension of the eviction moratorium, countless families may face homelessness, leading to further public health risks and societal challenges.

Furthermore, extending the moratorium will provide much-needed time for tenants to regain financial stability, seek employment opportunities, and access assistance programs designed to alleviate their burdens.

In light of these factors, I urge you to consider the significant consequences that ending the moratorium would have on our community's health and wellbeing. An extension is imperative to ensure that every resident has the opportunity to remain safely in their home during these unprecedented times.

Thank you for your attention to this matter. I hope for a favorable response.

Sincerely,
