

Testimony for Eviction Moratorium Extension

Date: [Insert Date]

To the Honorable Members of the [Insert Community/City Council Name],

My name is [Your Name], and I am a resident of [Your Community/Neighborhood]. I am here to speak in support of the extension of the eviction moratorium currently in place due to the ongoing challenges posed by the COVID-19 pandemic.

As you may be aware, many families and individuals in our community are still struggling to regain financial stability. The impact of job loss, reduced hours, and health challenges has made it difficult for many to pay rent, and the looming threat of eviction adds to their stress. An extension of the moratorium would provide essential relief, allowing residents the necessary time to recover.

Furthermore, I urge you to consider the broader implications of mass evictions, which could lead to increased homelessness, overcrowded shelters, and strain on our local resources. By extending the moratorium, we can help preserve housing stability for our most vulnerable residents.

In conclusion, I respectfully ask that you support the extension of the eviction moratorium to protect our community's health and well-being. Thank you for your time and attention to this important matter.

Sincerely,

[Your Name]
