Subject: Proposal for Electronic Waste Awareness Campaign

Dear [Recipient Name],

I am writing to propose a collaborative effort between [Your Organization] and [Recipient Organization] to raise awareness about electronic waste (e-waste) and its environmental impacts. As e-waste continues to grow at an alarming rate, it is crucial that we educate our community on responsible disposal and recycling practices.

Objectives:

- Increase public awareness about the hazards of e-waste.
- Provide information on how to recycle electronic devices responsibly.

- Encourage community participation in e-waste recycling events.

Proposed Activities:

- Workshops and seminars at local schools and community centers.
- Social media campaigns to reach a wider audience.
- Collection drives for old electronics in collaboration with local businesses.

We believe that through our joint efforts, we can make a significant impact in reducing e-waste and promoting sustainable practices. We would be delighted to discuss this proposal further and explore avenues for collaboration.

Thank you for considering this important initiative. I look forward to your positive response.

Warm regards,

[Your Name]
