

Indigenous Rights Acknowledgment

Date: [Insert Date]

To Whom It May Concern,

We acknowledge that the land on which we undertake this environmental project is the traditional territory of the [Indigenous Nation/Tribe name], who have stewarded this land for generations. We recognize their connection to the land, waters, and resources and respect their inherent rights.

We commit to honoring their knowledge, traditions, and practices throughout our project and to engaging in meaningful consultation with the Indigenous communities. We aim to promote sustainability and equity in collaboration with Indigenous peoples.

Thank you for your attention to this important acknowledgment. We look forward to fostering a reciprocal relationship with the Indigenous peoples in our project.

Sincerely,
