Dear Members of the Admissions Committee,

I am writing to express my interest in the graduate program in [Specific Science Major] at [University Name]. With a Bachelor's degree in [Your Undergraduate Major] from [Your Undergraduate Institution] and a passion for [specific area of interest], I am excited about the opportunity to further my education and research skills at your esteemed institution.

During my undergraduate studies, I have gained significant experience in [relevant experiences or projects], which has equipped me with a strong foundation in [specific skills or knowledge]. My coursework in [relevant courses] has further fueled my interest in [specific topics], and I believe that your program's focus on [specific program strengths] aligns perfectly with my academic and career goals.

I am particularly drawn to [University Name] because of [specific reasons related to the program, faculty, or research opportunities]. I am eager to contribute to [specific research projects or initiatives] and collaborate with esteemed faculty members such as [faculty names if applicable].

Thank you for considering my application. I am looking forward to the opportunity to discuss my fit for the program in more detail. Please find my resume attached for your reference.

Sincerely,

[Your Name]
