## Subject: Proposal for Math Tutoring Services

Dear [Recipient Name],

I am writing to propose my math tutoring services to assist you in enhancing your understanding and skills in mathematics. With a background in [your qualifications or experience], I have successfully helped students improve their performance in various math subjects, including algebra, geometry, and calculus.

My approach to tutoring involves personalized lesson plans tailored to each student's unique learning style and needs. I offer both one-on-one sessions and group workshops, flexible scheduling, and can conduct sessions either in person or online.

Based on our initial discussions, I suggest the following structure for our tutoring sessions:

- Duration: [Specify duration, e.g., 1 hour per session]
- Frequency: [Specify frequency, e.g., twice a week]
- Rate: [Specify your hourly rate]

Should you have any specific goals or topics you would like to focus on, please feel free to share them so that I can better prepare for our sessions. I am dedicated to helping my students succeed and am confident that together we can achieve your math goals.

Thank you for considering my proposal. I look forward to the opportunity to work together.

Sincerely,

[Your Name]
