Dear Members of the Academic Integrity Committee,

I am writing to formally appeal the ruling regarding the academic misconduct case filed against me, as per the decision communicated on [date]. My case number is [case number]. I respectfully request a review of the findings based on the following grounds:

- 1. Inadequate Evidence:** The evidence presented during the hearing was insufficient to support the allegations against me.
- 2. Procedural Errors:** The process followed during the investigation did not adhere to university guidelines, leading to a lack of fair representation.
- 3. New Evidence:** I have since obtained new evidence that I believe could significantly impact the outcome of my case.

In light of the above points, I kindly request another review of my case and a reconsideration of the ruling. I believe that a fair assessment will reflect my commitment to academic integrity and clear my name of any wrongdoing.

Thank you for your consideration. I look forward to your prompt response.

Sincerely,
