**Dear [Institution/Committee Name],**

I am writing to declare any potential conflicts of interest related to my research activities. I understand the importance of transparency in research and am committed to adhering to the highest ethical standards.

## **Potential Conflicts of Interest:**

- Financial interests: [Specify any company affiliations, stock ownership, consulting fees]
- Personal relationships: [Specify any personal relationships that may influence research]
- Research affiliations: [Specify any outside collaborations or sponsorships]

If none apply, please state "No known conflicts of interest." **[Insert Statement]**

Thank you for your attention to this matter. Please feel free to contact me if you require any further information.

Sincerely,
