Dear Financial Aid Officer,

I hope this letter finds you well. I am writing to formally request a deferral of my financial aid for the upcoming academic year as I plan to participate in a study abroad program.

As an [Your Major] major, I have been presented with a unique opportunity to study at [Destination University/Program Name] during the [specific term, e.g., Fall 2024]. This experience will not only enhance my academic growth but will also contribute significantly to my career goals.

Due to the cost associated with studying abroad, I kindly request that my current financial aid package be deferred for the duration of my study abroad program. I have attached all relevant documentation, including program details and estimated expenses, to assist in your evaluation.

I appreciate your consideration of my request and your continued support in my educational endeavors. Please let me know if you require any further information or documentation.

Thank you for your attention to this matter. I look forward to your positive response.

Sincerely,
