Dear [Recipient Name],

I hope this message finds you well. I am writing to express my concern regarding the consistent absence of captions in your media broadcasts. As a viewer who relies on these features for accessibility, I have noticed that captions are often missing or are inadequately provided during many of your programs.

Captions are not only essential for individuals who are deaf or hard of hearing, but they also enhance the viewing experience for a wider audience by providing clarity and context. The lack of this crucial feature can alienate valuable viewers and limit access to information.

I kindly urge your organization to prioritize the inclusion of accurate and timely captions in all future broadcasts. This commitment to accessibility will greatly benefit your audience and show your dedication to inclusivity.

Thank you for considering this matter seriously. I look forward to your response and to seeing improvements in your future media content.

Sincerely,
