Dear [Recipient Name],

I am writing to you to express my concern regarding the current standards of captioning in online videos. As an advocate for accessibility, I believe that improved captioning is crucial for ensuring that all viewers, including those who are deaf or hard of hearing, have equal access to information and entertainment.

Many platforms and content creators currently use inconsistent or poorly synchronized captions, which not only hinder comprehension but also marginalize a significant portion of the audience. I urge you to consider implementing stricter guidelines for captioning quality, including accuracy, synchronization, and completeness.

By taking steps to enhance captioning standards, we can foster inclusivity and ensure that everyone can enjoy the content provided. I appreciate your attention to this important matter and look forward to your response.

Thank you for your time.

Sincerely,

[Your Name]
