[Recipient's Position]

[Organization/Institution Name]

[Address]

Dear [Recipient's Name],

I am writing to formally request the development of a media literacy policy within [Organization/Institution Name]. In today's digital age, the ability to critically assess information is crucial for the empowerment of our community and the cultivation of informed citizens.

The absence of a comprehensive media literacy policy not only limits our educational initiatives but also places our community at a disadvantage in navigating the complexities of misinformation and biased content. By adopting a media literacy policy, we can enhance our educational framework, support our educators, and equip our students with essential skills for the 21st century.

I propose that we convene a meeting to discuss this initiative further and explore how we can collaborate to draft a robust media literacy policy tailored to our community's needs. I look forward to your positive response and hope to work together on this important matter.

Thank you for considering this proposal.

Sincerely,

[Your Name]

[Your Position]
