Dear [Recipient's Name],

As we navigate the difficult process of our divorce, I would like to propose a settlement that aims to be fair and equitable for both parties. Below are the key terms that I believe would be beneficial to consider:

1. Division of Assets

[Provide details on how you propose to divide marital assets, including properties, savings, etc.]

2. Spousal Support

[Outline any proposed spousal support arrangements, including amounts and duration.]

3. Custody and Support of Children

[Detail proposed arrangements for child custody, visitation, and child support.]

4. Debts

[Address how you propose to handle marital debts.]

These proposals are intended to facilitate a cooperative resolution to our divorce. I am hopeful that we can negotiate these terms amicably. Please review this proposal and let me know your thoughts.

Thank you for your consideration.

Sincerely,

[Your Name]
