

# Salary Negotiation Letter

Dear [Client's Name],

I hope this message finds you well. I am writing to discuss the terms of my freelance contract and the compensation for my services.

Firstly, I want to express my gratitude for the opportunity to work with [Client's Company Name]. I have truly enjoyed contributing to [specific project or work].

After researching industry standards and considering my experience and the value I bring to the project, I believe that a rate of [proposed rate] per [hour/project] would be more aligned with my skills and the market rates.

I am confident that this adjustment will reflect the quality and commitment I bring to the work. I am open to discussing this further and finding a mutually beneficial agreement.

Thank you for your understanding. I look forward to your response.

Sincerely,

[Your Name]
