

Dear [Partner's Name],

I hope this message finds you well. I wanted to take some time to discuss something I believe is important for our future together. As we prepare for our upcoming marriage, I feel it is essential to consider having a prenuptial agreement.

This is not a reflection of our trust or love for one another, but rather a way to protect both of us as we embark on this new journey together. A prenuptial agreement can help clarify our financial responsibilities and expectations, ensuring we are on the same page.

Could we set aside some time to talk about this? I believe it would be beneficial for both of us to share our thoughts and feelings on the topic.

Thank you for considering this important conversation. I look forward to discussing it with you.

Warm regards,

[Your Name]
