Dear [Partner's Name],

I hope this message finds you well. As we continue to plan our future together, I believe it is important for us to have a transparent conversation about our financial expectations and responsibilities. To that end, I would like to discuss the possibility of a prenuptial agreement.

While I understand that this may seem like an uncomfortable topic, I truly believe that having this agreement can provide clarity and security for both of us as we embark on this new chapter in our lives.

I would love to hear your thoughts on this matter when you feel ready. I am committed to ensuring that we both feel comfortable and understood in this process.

Looking forward to our conversation.

Warm regards,
[Your Name]
