Hiring Manager

XYZ Technologies

456 Business Road

Development Town, CA 67890

Dear Hiring Manager,

I am writing to express my interest in the Product Manager position at XYZ Technologies, as advertised on your careers page. With my extensive experience in product management and a proven track record of delivering innovative technology solutions, I am confident in my ability to contribute significantly to your team.

In my previous role at ABC Corp, I successfully led a cross-functional team to launch a cutting-edge software product that increased customer engagement by 40% in its first quarter. My strong analytical skills and strategic mindset allowed me to identify market trends and align product development with customer needs.

I am particularly drawn to XYZ Technologies due to your commitment to innovation and excellence in the tech industry. I admire your latest project on AI-driven solutions, and I am eager to bring my expertise in Agile methodologies and customer-focused product development to your team.

Thank you for considering my application. I look forward to the opportunity to discuss how my skills and experiences align with the needs of your team.

Sincerely,

John Doe
