

Dear [Friend's Name],

I hope this letter finds you in great spirits! I've been thinking about how much joy literature brings into our lives, and I would love to explore it together with you.

How about we set aside some time each week to dive into different genres? We can share our thoughts, favorite passages, and even sip on some coffee or tea as we read.

If you're interested, let me know your available days and times. I truly believe this could be a wonderful journey for us both!

Looking forward to hearing from you!

Warm regards,
[Your Name]
