

Dear Family,

As we prepare for our special day, we wanted to share our thoughts on gift preferences. Your presence at our wedding is the greatest gift we could ask for, but if you choose to give us something, we wanted to provide some guidance.

Gift Preferences

- **Home Essentials:** Items for our kitchen, bathroom, and living space.
- **Cash Gifts:** Financial contributions that will help us build our future together.
- **Gift Cards:** To our favorite stores where we can choose what we need.
- **Experiences:** Contributions towards our honeymoon or special activities we'd love to try.

Thank you so much for your love and support. We can't wait to celebrate with all of you!

With love,
