## Subject: Objection to Recent Changes in Will

Dear [Executor's Name],

I am writing to formally object to the changes made to the will of [Decedent's Name], dated [Original Will Date], which I understand have been altered via a document purportedly executed on [Change Date]. As a beneficiary under the original will, I believe that the changes made are invalid for the following reasons:

1. Insufficient mental capacity of the testator at the time of the changes.
2. Lack of proper witness signatures as required by [State Law/Statute].
3. Failure to follow the required procedure for amending a will.

Given these concerns, I respectfully request that you provide evidence validating the changes made to the will. I believe it is critical to ensure that the final wishes of [Decedent's Name] are honored in accordance with the law.

Thank you for your attention to this matter. I look forward to your prompt response.

Sincerely,

[Your Signature (if sending a hard copy)]
