Dear [Recipient Name],

I am writing to formally object to the last will and testament of [Deceased's Name], dated [Date of Will]. I am a beneficiary named in a previous will and hold a legitimate interest in this matter.

Upon reviewing the contents of the current will, I have identified several procedural errors that I believe invalidate its execution:

- The will was not properly witnessed as required by state law, lacking the signatures of two disinterested witnesses.
- There is evidence that [Deceased's Name] did not have the requisite mental capacity at the time of signing the will.
- Probate proceedings were initiated without proper notification to all interested parties, violating their rights to contest.

Due to these significant concerns, I respectfully request that the probate court reassess the validity of the aforementioned will. I am prepared to provide further documentation and testimony to support my claims.

Thank you for your attention to this crucial matter. I look forward to your prompt response.

Sincerely,

[Your Signature (if sending a hard copy)]
