To Whom It May Concern,

I am writing to submit my application for the black and white photography portfolio. As a passionate photographer with over five years of experience in the field, I have cultivated a deep appreciation for the art of black and white photography.

My portfolio showcases a diverse range of subjects, including landscapes, portraits, and street scenes, all highlighted through the use of contrast and light. I believe that black and white photography allows for a unique expression of emotion and storytelling, which I strive to capture in my work.

Enclosed with this letter, you will find my portfolio, which includes both printed and digital formats of my best work. I am excited about the opportunity to share my artistic vision and contribute to your exhibition.

Thank you for considering my application. I look forward to the possibility of discussing my work with you further.

Sincerely,

John Doe
