

Account Security Alert

Dear [User's Name],

We noticed a login attempt to your account from an unrecognized device on [Date]. For your security, we recommend that you take the following steps:

- Change your password immediately.
- Enable two-factor authentication if not already set up.
- Review your recent account activity for any unauthorized transactions.

If you did not attempt to log in from this device, please contact our support team immediately.

Thank you for your attention to this important matter.

Best regards,

The Security Team
