Dear [Recipient's Name],

We are writing to clarify our compliance regarding social media guidelines and policies to ensure a consistent and responsible use of our platforms.

It has come to our attention that some practices may not fully align with our compliance standards. This letter aims to address these concerns and outline the necessary steps to ensure adherence to our social media policies.

- Content Guidelines**: All posts must respect our brand's values and comply with relevant legal regulations.
- Authorization**: Only designated personnel are permitted to post on official channels. Unauthorized posts may lead to disciplinary actions.
- Engagement Policy**: All responses to comments and messages should be conducted professionally and in accordance with our communication standards.

We appreciate your attention to this matter and encourage you to reach out with any questions or further clarification required. Together, we can ensure that our social media presence remains compliant and impactful.

Sincerely,
