

# Internship Critique and Suggestions Request

Dear [Supervisor's Name],

I hope this message finds you well. As my internship is nearing its conclusion, I am reaching out to request your valuable feedback on my performance and contributions during my time at [Company/Organization Name]. Your insights would be incredibly helpful as I look to improve my skills and professional development.

Specifically, I would appreciate your critique on the following areas:

- Overall performance and areas for improvement
- Projects that I excelled in or struggled with
- Suggestions for future internships or roles

Thank you for your guidance and support throughout this internship experience. I look forward to hearing your thoughts.

Best regards,
