

# Subject: Implementation of Recycling Programs at Work

Dear Team,

We are excited to announce that we will be implementing a recycling program at our workplace starting next month. Our commitment to sustainability and reducing our environmental footprint requires collective effort, and your participation is crucial.

The recycling program will include:

- Designated recycling bins for paper, plastics, and metals
- Regular workshops to educate employees on recycling best practices
- Monthly progress reports to track our recycling efforts

We encourage all employees to actively engage in this initiative. By working together, we can make a significant impact on our environment.

If you have any questions or suggestions regarding the program, please feel free to reach out.

Thank you for your support!

Best regards,
