

Group Travel Expense Sharing

Date: [Insert Date]

Dear [Group Members' Names],

I hope this message finds you well! As we prepare for our upcoming trip to [Destination], I wanted to discuss how we can share the expenses incurred during our travels.

Proposed Expense Breakdown:

- Accommodation: \$[Total Amount] (Divided by [Number of People])
- Transportation: \$[Total Amount] (Divided by [Number of People])
- Food: \$[Total Amount] (Divided by [Number of People])
- Activities: \$[Total Amount] (Divided by [Number of People])

After calculating, each person's contribution should be approximately: \$[Individual Contribution].

Please let me know if you have any thoughts or additional suggestions regarding the expense sharing. I believe this will help us manage our finances smoothly throughout the trip.

Looking forward to our adventure together!

Best regards,
