

# Eco-Friendly Travel Destination Suggestions

Dear [Recipient's Name],

As we continue to explore ways to travel responsibly and contribute positively to our planet, I am excited to share some eco-friendly travel destination suggestions for your next adventure!

## 1. Costa Rica

Known for its rich biodiversity and commitment to conservation, Costa Rica offers sustainable eco-lodges nestled in lush rainforests.

## 2. Bhutan

This Himalayan kingdom prioritizes Gross National Happiness over tourism, ensuring that your travel contributes to the well-being of the locals and the environment.

## 3. Iceland

Iceland promotes sustainable tourism with renewable energy resources and strict preservation policies for its stunning natural landscapes.

## 4. New Zealand

The country is dedicated to environmental sustainability, with numerous eco-tours and conservation projects that allow visitors to connect with nature responsibly.

## 5. Slovenia

A leader in sustainable practices, Slovenia offers green accommodations, and its breathtaking landscapes are perfect for hiking and cycling.

By choosing these destinations, we can enjoy our travels while minimizing our environmental impact. If you have any questions or need further information, feel free to reach out!

Happy travels!

Sincerely,
