

Letter of Commitment to Ethical Travel Practices

Date: _____

To Whom It May Concern,

As a responsible traveler, I am committed to practicing ethical travel that respects and honors the local cultures and communities I encounter during my journeys. I believe in fostering sustainable tourism and ensuring that my presence benefits both the people and the environment of the destinations I visit.

My Commitment Includes:

- Engaging with local cultures in a respectful and considerate manner.
- Supporting local businesses and artisans to promote economic sustainability.
- Being mindful of my environmental impact and minimizing waste.
- Learning about and honoring the customs, traditions, and language of the local communities.
- Leaving places better than I found them, through conservation efforts and responsible behavior.

Through this commitment, I aim to contribute to a positive travel experience for both myself and the communities I visit. I understand the importance of being a conscious traveler and will strive to uphold these ethical practices throughout my journey.

Thank you for your understanding and support in promoting ethical travel.

Sincerely,
