Dear [Landlord/Property Manager's Name],

I hope this message finds you well. I am writing to formally request garden care services for the shared garden area at [Property Address].

As we have noticed, the garden has been falling into disrepair, and it requires attention to maintain its condition and aesthetics. Specific issues include:

- Overgrown weeds
- Untrimmed shrubs and hedges
- Dead plants that need removal
- Need for new mulch or soil

We believe that professional garden care would greatly enhance our living environment and overall satisfaction with the property.

Could you please arrange for a garden care service at your earliest convenience? We appreciate your attention to this matter and look forward to hearing from you soon.

Thank you for your cooperation.

Sincerely,

[Tenant's Name]
