Dear [Recipient's Name],

I am writing to propose a formal evaluation of the current remuneration structure within [Department/Company Name]. As we aim to maintain our competitive edge in attracting and retaining talent, it is essential to assess our compensation packages and align them with industry standards.

Over the past few months, several employees have expressed concerns regarding remuneration fairness and its impact on morale and productivity. Therefore, I believe that an in-depth analysis of our pay structure, benefits, and incentives will provide us with valuable insights and recommendations for improvement.

The evaluation would include:

- Market comparison of salaries and benefits
- Employee feedback and satisfaction surveys
- Recommendations for adjustments or enhancements

I propose that we initiate this evaluation by [Proposed Start Date], aiming to present findings and recommendations by [Proposed End Date]. I am confident that this initiative will contribute positively to our team's overall performance and employee satisfaction.

Thank you for considering this proposal. I look forward to discussing it further.

Sincerely,

[Your Name]
