Dear [Landlord's Name],

I hope this message finds you well. I am writing to formally request exterior repairs concerning pest control issues that have been affecting my living conditions. I have noticed a significant presence of pests, which may be attributed to the exterior condition of the property.

Specifically, I have observed [describe specific issues or areas, e.g., "cracks in the foundation" or "gaps around windows and doors"] that may be allowing pests to enter the premises. These concerns not only affect my comfort but may pose health risks as well.

I kindly ask that you arrange for a professional pest control service to evaluate the situation and address the necessary repairs to prevent further issues. I believe this will help maintain the quality of the property and enhance the living conditions for all tenants.

Thank you for your attention to this matter. I look forward to your prompt response.

Sincerely,
