Dear [Recipient's Name],

I hope this message finds you well. I am [Your Name], [Your Title] at [Your Company Name]. We are excited about the opportunity to collaborate with [Recipient's Company Name] on a product sampling initiative that can mutually benefit both our brands.

The goal of this initiative is to provide our customers with the chance to experience our products first-hand, while also enhancing brand visibility and engagement for both companies. We believe that a collaborative approach will not only help us reach a wider audience but also foster a strong partnership between our brands.

We propose a joint sampling event where we can showcase our products to a targeted audience. Some ideas for the initiative include:

- Joint promotional campaigns on social media platforms.
- Co-hosting events or workshops to introduce our products.
- In-store product displays featuring both brands.

We are open to further discussions on how we can tailor this collaboration to meet our mutual goals. Please let me know a convenient time for us to connect and explore this opportunity further.

Thank you for considering this proposal. I look forward to the possibility of working together.

Best regards,
