

Outdoor Space Watering Guidelines

Dear [Tenant's Name],

We hope this message finds you well. As part of your tenancy, we would like to provide you with guidelines for watering the outdoor space associated with your unit.

Watering Schedule

- Watering should be done early in the morning or late in the evening to minimize evaporation.
- Watering should occur twice a week during dry spells, ensuring even coverage.

Watering Techniques

- Use a soaker hose or drip irrigation system for efficient watering.
- Avoid overhead watering to reduce the risk of fungal diseases.

Water Usage

- Please be mindful of water usage and avoid waste.
- Consider using a rain barrel to collect rainwater for irrigation.

If you have any questions or require assistance, please do not hesitate to reach out.

Thank you for your cooperation!

Sincerely,
