

Plant Care and Watering Plan

Date: _____

To: [Tenant's Name]

From: [Landlord's Name]

Dear [Tenant's Name],

I hope this message finds you well. As we both know, the plants in your apartment require regular care to ensure their health and vitality. Below is the proposed plant care and watering plan for your reference:

Plant Care Schedule

- **Plant 1:** [Plant Name] - Water every [Frequency] days.
- **Plant 2:** [Plant Name] - Water every [Frequency] days.
- **Plant 3:** [Plant Name] - Water every [Frequency] days.

Watering Instructions

When watering, please ensure that:

- The soil is moist, but not waterlogged.
- Excess water is drained from the pots to avoid root rot.

Additional Care Tips

For optimal growth, consider the following:

- Place plants in appropriate light conditions.
- Fertilize monthly with a balanced houseplant fertilizer.
- Dust leaves periodically to enhance photosynthesis.

Please feel free to reach out if you have any questions or need further assistance.

Best Regards,

[Landlord's Name]
