Subject: Documentation of Property Lines and Boundary Dispute Resolution

Dear [Landlord/Neighbor's Name],

I hope this message finds you well. I am writing to formally address a boundary dispute regarding the property lines between our respective properties located at [Your Property Address] and [Neighbor's Property Address].

According to the property survey conducted on [Insert Date of Survey], it has been established that the property line is located at [Describe Property Line]. However, it has come to my attention that there may have been some misunderstandings/encroachments at the boundary.

To resolve this matter amicably, I propose the following steps:

- Review the property survey together.
- Discuss any concerns regarding the current boundary markers.
- Schedule a meeting with a professional surveyor, if necessary.

Please let me know a suitable time for us to meet and discuss this matter further. I believe that open communication will help us come to a fair and reasonable resolution.

Thank you for your attention to this matter. I look forward to your prompt response.

Sincerely,

[Your Name]
