

Cyber Awareness Update

Dear Association Affiliates,

As part of our ongoing commitment to cybersecurity, we would like to share some important updates and best practices to ensure the safety and security of our collective digital environment.

Recent Cyber Threats

Recent incidents have highlighted the increase in phishing attempts targeting organizations like ours. Please remain vigilant and educate your teams about identifying suspicious emails and links.

Best Practices

- Always verify the sender's email address.
- Do not click on unknown links or attachments.
- Enable two-factor authentication wherever possible.
- Regularly update your software and systems.

Resources

We encourage you to visit our dedicated cybersecurity resource page to access training materials and additional information on staying secure online.

Thank you for your attention to this important issue. Together, we can maintain a safe and secure environment for all.

Sincerely,

Your Cybersecurity Team
