

Winter Survival Checklist for Tenants

Dear [Tenant's Name],

As winter approaches, we want to ensure that your home is prepared for the colder months. Please find below a checklist to help you get ready:

Winter Survival Checklist

- Check and replace furnace filters.
- Inspect and clean gutters to prevent ice dams.
- Ensure windows and doors are sealed to avoid drafts.
- Test smoke and carbon monoxide detectors.
- Stock up on essential supplies (e.g., salt, shovels, emergency kit).
- Prevent pipes from freezing by insulating vulnerable areas.
- Have a plan for snow removal and who to contact in emergencies.

If you have any concerns or need assistance with any of the above tasks, please do not hesitate to reach out.

Stay warm and safe!

Sincerely,

[Your Name]
