

Dear [Tenant's Name],

We hope this message finds you well. As part of our commitment to sustainability and reducing energy costs, we would like to share some effective energy-saving strategies that you can implement in your home.

Energy-Saving Strategies:

- **Use LED Light Bulbs:** Replace traditional bulbs with LED lights which consume less energy.
- **Unplug Devices:** Unplug electronics when not in use to prevent phantom energy usage.
- **Adjust Thermostat:** Set your thermostat a few degrees lower in winter and higher in summer.
- **Seal Windows and Doors:** Check for drafts and use weather stripping to improve insulation.
- **Use Energy-Efficient Appliances:** Opt for ENERGY STAR-rated appliances for your home.

Implementing these strategies can help reduce your energy consumption and lower utility bills. We encourage you to remember these tips and adopt them into your daily routines.

If you have any questions or need further assistance, feel free to reach out.
