Dear [Recipient's Name],

I am writing to formally address my concerns regarding a breach of patient care standards that occurred during my recent treatment at [Healthcare Facility Name] on [date of incident]. My experience has raised significant concerns regarding the quality of care provided, which I believe does not adhere to the established standards expected within your facility.

Specifically, I would like to outline the following issues:

- Details of the incident 3

These incidents not only affected my physical well-being but also caused considerable emotional distress. I have sought legal advice regarding this matter and am prepared to pursue legal recourse to ensure that standards of care are upheld and that such incidents do not recur.

I request a formal response addressing these concerns within [number of days for response]. Thank you for your attention to this serious issue.

Sincerely,
