

# Request for Improvement of Accessibility

Dear [Recipient's Name],

I hope this message finds you well. I am writing to express my concern regarding the accessibility of facilities at [Therapy Center Name]. As a frequent visitor, I have observed that certain areas of the center are not wheelchair-friendly, which poses challenges for individuals with mobility impairments.

It is crucial for a therapy center to ensure that all patients can navigate its spaces without obstacles. I kindly appeal for improvements to be made, such as:

- Installation of ramps and wider doorways
- Accessible restrooms
- Designated parking spaces for wheelchair users

These enhancements would not only comply with accessibility standards but also foster a more inclusive environment for all patients seeking therapy.

Thank you for considering this important matter. I look forward to your positive response.

Sincerely,
