

Petition for Improved Wheelchair Access at [Treatment Center Name]

Date: [Insert Date]

To Whom It May Concern,

We, the undersigned, are writing to formally petition for improved wheelchair access within [Treatment Center Name]. It has come to our attention that several areas of the facility are not adequately accessible for individuals using wheelchairs, which poses significant challenges and restrictions to their treatment and overall experience.

As a community committed to ensuring equal access to health services, we believe that implementing necessary changes to enhance wheelchair accessibility is not only a matter of compliance with legal standards but also a demonstration of compassion and respect for all patients.

We kindly request the following improvements:

- Installation of ramps in areas with step access.
- Wider doorways to accommodate wheelchair passage.
- Accessible restrooms equipped with necessary modifications.
- Clear signage indicating accessible routes within the facility.

Improved accessibility will not only benefit wheelchair users but will also create a more inclusive environment for all patients, staff, and visitors.

We urge [Treatment Center Name] to take immediate action to address these issues, and we are eager to collaborate on finding effective solutions. We appreciate your attention to this important matter.

Sincerely,
