

Seasonal Adornment Instructions

Dear Tenants,

As the festive season approaches, we encourage you to brighten up your living space with seasonal adornments. Below are the guidelines to ensure a safe and pleasant environment for all:

- Please limit decorations to common areas and your personal space, ensuring not to obstruct hallways or fire exits.
- Be mindful of flame hazards; use battery-operated lights in place of candles.
- Decorations should not damage property; please use reusable adhesive hooks instead of nails or tape.
- Remove all decorations within two weeks after the holiday season ends.

If you have any questions or need assistance, feel free to contact the management office.

Happy decorating!

Sincerely,

[Your Property Management Team]
