

Tenant Seasonal Decoration Standards

Dear [Tenant's Name],

As the seasonal festivities approach, we wanted to remind you of our decoration standards to ensure a safe and enjoyable environment for everyone in the community.

Guidelines for Seasonal Decorations:

- All decorations must be non-flammable and safe for indoor use.
- Outdoor decorations should not obstruct walkways or common areas.
- String lights must be approved and should not create fire hazards.
- Natural decorations (e.g., wreaths, flowers) should be maintained to avoid decay.
- All decorations must be removed within one week after the holiday season ends.

Thank you for your cooperation and understanding. We hope you enjoy the festive season!

Sincerely,
